So close, no matter how far, couldn't be much more from the heart,

Emi **D** **C2** **G** **H7** **Emi**
forever trusting who we are And nothing else matters.

Never opened myself this way, life is ours, we live it our way,
all these words, I don't just say and nothing else matters.

Trust I seek and I find in you, every day for us something new,
open mind for a different view and nothing else matters.

D Never cared for what they do **C A**

D Never cared for what they know **C A D** **Emi**, but I know.

So close, no matter how far, it couldn't be much more from the heart,
forever trusting who we are and nothing else matters.

Never cared for what they do ...

I never opened myself this way...

Trust I seek and I find in you...

Never cared for what they say, never cared for games they play,
never cared for what they do, never cared for what they know and I know, yeah, yeah

So close, no matter how far, couldn't be much more from the heart,
forever trusting who we are, no, nothing else matters.
